

TRANSPORTATION

Thank you for considering CP Transportation Int'l, Inc. for your shipping needs. CP is an asset-based trucking company that provides local, intermediate and national shipping coverage. We provide a consistent, on-time delivery experience to ensure our clients are satisfied, and their scheduling needs are met beyond expectation.

CP Transportation is headquartered in San Diego, CA with terminals in both El Cajon, CA and Chandler, AZ. With a combined 30+ years of hands-on industry experience, our leadership team at CP will manage all of your transportation needs, including FTL and LTL service, Contract and Custom Trucking, Freight Expediting, Reefers, and Hot Shots.

We will provide the solutions you need, at a cost that will help your company's bottom line! At CP Transportation, our goal is to develop strong, long lasting relationships with our clients by providing a valuable and reliable service.

Again, thank you for choosing CP Transportation, Inc. for your shipping needs. We look forward to working together with you to exceed your expectations! Please feel free to contact us anytime for a quote and a list of services that we are happy to provide - both near and far.

Sincerely,

Chris Perkins
President
